

FOOD AND NUTRITION REPORT 2024

The Mediterranean diet is considered one of the healthiest diets in the world.

It emphasizes fruits, vegetables, whole grains, and olive oil.

Studies show that following this diet can reduce the risk of heart disease by 30 percent.

Salmon is rich in omega-3 fatty acids which are essential for brain health.

Broccoli contains high amounts of vitamin K and vitamin C.

Dark chocolate with 70 percent cocoa or more is a good source of antioxidants.

Almonds provide vitamin E and magnesium.

Blueberries are known for their high antioxidant content.

The recommended daily water intake is about 2 liters for women and 2.5 liters for men.
